Hiring decisions are contingent upon successful completion of background check and drug screening.

It is the policy of AlasConnect not to discriminate against any employee or any applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability, sexual orientation or national origin. This policy shall include, but not be limited to, the following: recruitment and employment, promotion, demotion, transfer, compensation, selection for training including apprenticeship, layoff and termination. This company further agrees to take affirmative action to ensure equal employment opportunities.

AlasConnect will attempt to make reasonable accommodations during the application and/or hiring process for qualified job applicants with known disabilities unless doing so would result in undue hardship for the company.

We will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. However, employees who have access to the compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a
